## EVERY DAY EASY WEAR

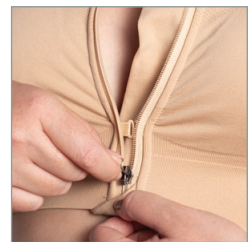

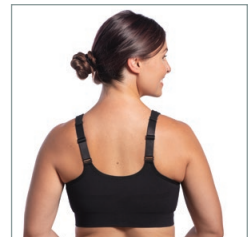

The HuggerVIDA, with low to medium compression, delivers the same great quality and attention to design as our HuggerPRIMA but with reduced coverage and overall compression for increased comfort and wearability.

**Targeted, mapped compression**  
Using seamless weave technology for great, wire-free lift, support & shape.

**Versatile breast/body pockets**  
Use with prosthetic, padding or ice.

**One G-Hook**  
Center mass for easy zip.

**PRAIRIE WEAR**  
compression that hugs your body.
